

CONCERT PROGRAM ADS

**GRASSFIELD
ORCHESTRA**

2023-2024

Grassfield High School Orchestra is selling program ads to support our students by purchasing much needed instruments, music, and providing opportunities for our children to participate in extra musical activities throughout the school year. This is also a way for our students to raise money to help them with the expenses associated with their spring performance tour trip.

The Grassfield Orchestra invites you to place an advertisement in its concert programs for the 2023-2024 school year. Ads/shout-outs will run in the winter and spring programs. Your program ad will reach a wide market of parents, students, and community members that enjoy and support the arts throughout the year. We appreciate your consideration in helping us reach our goals!
