# Spring Trip Behavior Contract

- The following is a list of rules that we expect every student to abide by at all times while they are on this trip. It is imperative that each student and parent understand the rules and the consequences that will follow if the rules are broken.

# Rules

- Students are expected to conduct themselves with class and maturity at all times. Chaperones will be “on duty” at all times to meet students’ needs and to enforce the rules and regulations. Students knowing of any potential rule infractions are encouraged to bring them to a chaperone immediately with the assurance of anonymity if desired.

# Rules

- Students will be considered in school while participating on this trip. ALL school rules and district rules will apply during the dates of the trip.
- Students will be expected to follow the specified requirements as outlined in the school handbook.
- Students will be required to hand in a signed Participant Application and Spring Trip Behavior Contract before they depart for Orlando.

# Rules

- The regular school dress code will be strictly enforced. Students are expected to dress in a manner which will represent the school appropriately.
- The use of ANY alcoholic beverages, drug substances or any type of tobacco (cigarettes, vape or chew) is NOT permitted. Not even if it is legal! Students will be sent home for an infraction of this rule at their parent's expense.

# Rules

- No student may leave their hotel room once curfew has been established. If you need something, call your Chaperone! **Any student caught leaving their room will be sent home at their parent's expense.**
- Students will be taped into their rooms at curfew. If that tape is broken during the night those students will be questioned and will be sent home if a reasonable response is not given.
- Security Officers have been hired for hotel security to enforce curfew and monitor noise levels.

# Rules

- Students are expected to be at every event during this trip, on time and ready. We will be moving 135 people every time we go somewhere and cannot afford to have people late and ill prepared.
- Students are expected to follow the directions of all appointed chaperones and leaders on this trip at ALL times. Failure to do so repeatedly will result in your child being sent home.

# Rules

- All bus riding rules will be strictly enforced. Please treat our drivers with respect and keep your area of the bus clean.
- When in doubt about any rule, students should ask their Chaperone BEFORE they decide to participate in the activity.
- Please understand that your behavior on this trip will directly affect future groups' ability to travel.
